(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

On 31 May, 2005, the patentee received notice of abandonment due to Applicant's failure to timely pay the required issue fee and publication fee. Applicants contend that the Notice of Allowance and Fee(s) Due was never received. An extensive search of the case file jacket and incoming docket records has demonstrated that the Office communication was never received.
